

Tailor Lounge Collection

September 22, 2017

FOR IMMEDIATE RELEASE

Welcome Tailor, Spec's latest lounge seating collection!

Tailor makes a striking impression while keeping the requirements of hard-use applications in mind. Inspired by residential and hospitality designs, this lounge collection is well suited to corporate lobbies and healthcare facilities alike. The collection creates stunning environments with freestanding lounge seating or any number of versatile modular configurations.

Both freestanding and modular lines feature one-, two-, three-seat and bariatric designs that can be combined with connecting and freestanding tables to create purposeful environments tailored to your space.

"At a competitive price point, Tailor encompasses options often offered at an upcharge - as standard. Designed for simple re-configuration, units can be easily unlinked and new components added for inspiring layouts in a wide range of settings," says Shelley MacDonald, Director of Marketing. "Tailor's adaptable design offers remarkable flexibility allowing facilities to create the seating arrangements that work best for their spaces."
