hundreds of hot new products fresh from NeoCon World's Trade Fair when they attend the newest addition to the NeoCon family of shows, NeoCon Xpress. This completely re-branded show, formerly known as NeoCon West, is expected to attract more than 150 manufacturers who will roll-out their newest product offerings in a variety of market segments, including Corporate, Hospitality, Healthcare, Education, Government Building Products, Technology Solutions and Eco-Friendly/Sustainable. The Buildings Show West will also be featured and will include products and services for the design and management of commercial facilities.

IIDEX®/NeoCon® Canada

September 27-28, 2007

The Direct Energy Centre at Exhibition Place

Toronto, ON., Canada

As Canada's largest exposition and conference for the design, construction and management of the built environment, IIDEX®/NeoCon® Canada is widely recognized as an industry leader, with over 15,000 attendees and 400 exhibitors from the interior design, architectural and facility management communities. In addition, IIDEX®/NeoCon® Canada also produces a world class conference and keynote speaker program with over 60 CEU accredited seminars and 5 international keynotes. An industry innovator, IIDEX®/NeoCon® Canada provides attendees with unique networking events, internationally acclaimed special exhibits and innovative feature areas including, Canadian Facility Management and Design Expo and Conference, Exposure to Light, Architectural, Tile and Stone Expo, Material World, Green Boulevard, [Home Automation](#), Energy Management in the Workplace and Jumpstart. IIDEX®/NeoCon® Canada is produced for ARIDO, the Association of Registered Interior Designers of Ontario by MMPI.

NeoCon® East

October 17-18, 2007

Baltimore Convention Center

Baltimore, Md.

NeoCon® East provides the Mid-Atlantic region inspiring solutions for the design and management of the built environment. The show includes four show components, including: Government Interiors™; Buildings Show; GREENlife™: Products for Sustainable Environments; and the Architectural Stone and Ceramic Tile Exposition.
