NeoCon East 2009

Date: October 28-29, 2009

Location: Baltimore Convention Center, Baltimore
Interior design, architectural, and facilities management tradeshow [NeoCon East](#) returns for its sixth year to the Baltimore Convention Center, October 28-29. The East Coast design exposition and conference for commercial interiors will showcase more than 250 exhibitors.

This year's offerings include more than 30 CEU-accredited seminars and association forums, keynote speakers, new products, innovative design and building resources and materials. Some 8,000 attendees are expected to make the trip, among them, architects, interior designers, federal procurement officers, facility managers, space planners, dealers and distributors, and manufacturers.
