

## NeoCon East Changes 2010 Show Date to October

Baltimore, MD, Aug. 13, 2010--The eighth annual NeoCon East will be held Oct. 28-30 at the Baltimore Convention Center, a change from the December dates originally announced.

"The Baltimore Convention Center recently informed us of a date opening in their October calendar and we quickly acted on the opportunity to accept the new dates," said Mark Falanga, senior vice president of MMPI, contract.

NeoCon East is a design exposition for commercial interiors with a focus on the federal design community. It features Government Interiors, which focuses on products and services geared to federal government procurement specifiers and industry professionals who are responsible for the repair, retrofit and green building modernization of city, county, state and federal buildings.

NeoCon East showcases thousands of products on the General Services Administration (GSA) schedule and attendees may learn more about GSA and how to get involved in government projects.

NeoCon East also offers Continuing Education Units (CEU) accredited seminars on facilities management, facilities construction and renovation, green design, government services administration, health care, health, safety and welfare, hospitality, institutional, office design, professional development, residential and lighting.
