NeoCon East 2010

[◀ Back to Listing of all GSA Events and Training](#)

GSA's Integrated Workplace Acquisition Center cosponsor's the East Coast's largest interiors show, focusing on Federal Customers.

NeoCon East, the premier exposition in the Mid-Atlantic regions for design and management of the built environment, returns to the Baltimore Convention Center on October 28-29th 2010, with more than 250 exhibitors, 30 CEU-accredited programs, and hundreds of new, cutting-edge products. NeoCon East prominently showcases interior design, architectural and facilities management industries of the Mid-Atlantic region, with a special focus on the Federal Design Community. Highlights include hundreds of manufacturers on GSA schedule, captivating keynote speakers and some of the best educational programming in the industry.

Thousands of innovative products will be displayed, resources and services for Corporate, Hospitality, Healthcare, Retail, Government and Education/Institutional interiors, including: Accessories, Architectural/Building Products, Corporate Art, Carpet/Flooring, Ceiling Systems, Furniture, Industry Resources, Seating, Software technology, Technology Support, Stone and Tile, Sustainable/ Green Products, Textiles, Wall Treatments and much more.

More than 7,500 industry professionals are expected to attend NeoCon East, including architects, interior designers, end-users, facility managers, federal government specifiers and procurement officers, office managers, purchasing managers, space planners, dealers/distributors, manufacturers' reps, real estate executives, students and press.

To register for complimentary admission to the exhibit hall visit www.neoconeast.com (a nongovernment website). Online registration for seminars and special events is now available. Pre-registration ends October 20, 2010.
